

HOW TO READ YOUR ID CARD

FRONT

BACK

- 1 Subscriber and Plan Information**
- 2 Provider Access Information:** Cards that state “This plan provides access to all eligible providers” allow plan members to utilize any provider they choose. Providers should refer the Claim Submission box (7) for additional instructions.
- 3 Pharmacy Access Information:** Provides plan details to the pharmacy for processing of medications.
- 4 Utilization:** Provides preauthorization/precertification instructions.
- 5 Eligibility Information:** Follow these instructions to obtain information about a member’s eligibility and benefits or check the status of a claim.
- 6 Pharmacy Provider Support:** Provides additional pharmacy benefit manager information to the pharmacy for processing of medications.
- 7 Claim Submission:** The EDI/mailing address will be located here. This box provides claim submission instructions for providers to submit a claim for processing.

Members may choose to utilize a physician only network to access primary care and specialists. To find a provider in this network go to www.multiplan.com and follow the prompts for the MultiPlan Practitioner Only network. Search for and locate a Provider based on your needs.

Members may obtain a copy of their ID card by logging into jpfarley.com.
